Masters Comments

This outstanding set of gilts are bred to the top herd sires from Southern Advantage Sires, Top Cut, Prairie State and Hi Point. Don't miss this opportunity to own some of the best Hampshire genetics around. Our service sires include: JLM Ninnekah (Southern Advantage), D7 (Southern Advantage), Southern Rock (Southern Advantage), Boom Baby (Top Cut), Time to Shine (Top Cut), Carney Man 63-4 (Prairie State), 73-7 (Hi Point), and War Dance.

NNN Comments

We would like to say that all these gilts have been raised in groups of 30-200, housed in confinement situations and have never been fed anything but commercial feeds. They are being limit fed the same rations we feed our sows. We would also like to thank you for taking the time to look through our offering. If you have any questions please call us at 402-750-4843.

Misfire (Hard Hit x Rock the House) was a class winner at the 2005 Indiana State Fair. Misfire is a heavy-boned, heavy-muscled son of Hard Hit.

War Dance (Big Kahuna x Rock the House) War Dance has matured into a massive herd sire from any angle. He has as much true depth and width of forerib as any Hampshire boar that you will find. He stands on huge feet and bone and is super sound.

Dark Energy is sired by JL Oh Baby 23-1. His pedigree includes Survivor, Black Dice, Big Country, Bad Boy, and several shots of the Old Impact Boar.

Wanna Be (Danny B x Unwanted) Super wide from front to rear, big bold shoulder and forearm, stout in his over all skeletal makeup and loose and free in all his joints. *12-1 Captain* Extremely sound, long-bodied, thick-made, big-ribbed son of Triple Play 214-4. He is huge footed and very heavy-boned. A very exciting young herd sire that shows much promise!!

Grand Slam Original son of Slam Dunk owned by Penners Hampshires.

Mapes Comments

This is by far the best set of gilts we've raised in a long time. All were being retained in our herd due to personal health issues. We have decided to offer this great set for sale. Every Hamp gilt we are offering goes back to the great old Hall of Fame sow, Cherokee Lady. Some of the gilts didn't cooperate in the photo session. Please feel free to contact Larry Mapes at 614-563-3850 or Ralph Doak at 765-427-9910 for more information.

Stands Alone is the most unique crossbred boar we've seen, with overwhelming power from end to end. He has as much bone, width, length and power of any boar anywhere. In his first pig crop he sired many Champions and had many high placing barrows at Houston and San Antonio. He had six pigs at Houston, none lower than 5th, including Champion Class 3 winner. Also, 2nd lightweight at Texas State Fair. At the 2006 Houston Livestock Show he had three that were high in the sale.

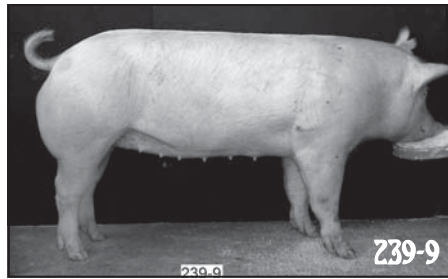

EC5 Full Package 78-1 is the \$4,250 2005 NBS Reserve Grand Champion Boar. His sire is Big Kahuna and a Rock The House dam. He excels in bone, width, mass and is ultra sound. Visitors tell us we have the best set of pigs that we have had in several years.

LLM Power Pack 10-3, by Masterpiece and a Jaguar dam. He is long, sound, wide and has lots of muscle. The best Poland boar we have raised.

Durawhat, Sire: Short Fuse x 7-2 x Shutum Down x Neat. Dam Sire: Landslide x Flamboyant x Sweetness.

| <i>What a picture; this just shows you how bad we are at this. She was always one of the top picks by visitors when we let them look in the keeper pen. Two years ago we had her mother bred to Dark Energy, and seven out of ten of the pigs in the litter won their prospective shows. We thought why not try a daughter.</i> | | | | | | |

| 39 | 234-12 | Y | NNN | Triple Play x Warren T | Grand Slam | 8/27/06 |
| <i>Look at the blade, rump structure and rib. She took a terrible picture, and I will say she is guaranteed. If you see her and don't like her, she can stay at home. I'd be happy to keep her. This litter was a favorite of Kade Hummel last fall. Mother is top-producing Warren-T sow. Three other littermates stay home, she is our top pick and the only one we're letting go of.</i> | | | | | | |
| 40 | 11-9 | Y | NNN | Triple Play x Guilt Trip | Wanna Be | 9/3/06 |
| <i>Being limit fed has not done this girl justice. Full sib to this gilt was our top selling prospect York gilt at the Penner-Platinum sale this spring at \$3,000 she is truly a better gilt than this picture makes her look, or we would have not bred her to Wanna Be (\$100/dose).</i> | | | | | | |

| <i>A perfect mating for showing gilts at San Antonio. This is the only purebred hampshire mating that we will offer. A foundation sow bred to the extra wide and stout War Dance.</i> | | | | | | |
| 45 | 2-4 | H | Masters | Big Kahuna x Kickoff | Carney Man 63-4 | 9/7/06 |
